

## **PLANT MAINTENANCE – Dufflet Pastries - TORONTO**

### **THE OPPORTUNITY**

Join a well known and highly respected, award winning dessert company in the position of Plant Maintenance.

### **RESPONSIBILITIES**

Reporting directly to Plant Manager, you will be responsible to maintain that equipment is in good working order:

- Troubleshoot problems in a disciplined and timely manner
- Perform repairs on bakery equipment
- Perform preventative maintenance
- Perform repairs at our off-site (Toronto) retail locations when needed
- Maintain appropriate records and logs
- Work with supervisors to assess equipment utilization issues and train where appropriate
- Manage maintenance budget and reduce costs
- Liaise/coordinate and manage 3<sup>rd</sup> party contractors.

### **REQUIRED KNOWLEDGE**

- Minimum 3-5 years of hands on plant maintenance experience ideally in food industry
- Understanding of manufacturing processes
- Handy individual with certification in one of the following fields: electrician, millwright, stationary engineer and/or general knowledge in others
- Strong team player with great initiative, creativity, organization, independence and excellent street smarts
- Excellent inter-personal, written and verbal communication skills
- Solid “can do” attitude with a positive outlook
- Computer skills
